Mrs. Ella Hall Alva Okla

9 miles south east

During my recent visit through
southern Kans, I found nothing
that compared to our Alva

rest room for usefulness for
our country friends, much

Credit should be given to our

few aggressive women who

have labored so earnestly

for its support, also our business
men who give us liberty to keep
it going & the makers who we
always find in her place who
keep things all in fine order.
Mrs. E. T. M. Knight
